Orientation for Teacher Educators 24.10.2022 to 26.10.2022

REPORT

INAUGURAL

The stage was graced by chief guest Dr. Shamla V Datta, Dr. Reshma Kaur, Dr. Sanjay Mainalli, Dr. Rajshekhar Almaje, Dr. Priyadarshini, Dr. Nagesh, Vilas Rao Kulkarni,

Dr. Reshma Kaur VCP of Guru Nanak Group of Institution welcomed the guest gathering and spoke about the need of organizing three days Orientation Program. Madam said the dream of **Late. Panth Ratan Shiromani Sardar Joga Singh Ji**, who always strived in uplifting and enlightening the academic knowledge of employees of SNJSF. A Teacher is a student till death. New knowledge, using innovation has to be inculcated in one's life Education is an absolute tool for growth and development of an all-round personality. Madam then whole heartedly welcomed the entire guest on the Dias and off the Dias, including the press. Dignitaries" light the lamp of knowledge and there by inauguration the three days Orientation Program for Teacher Educators

Dr. Reshma Kaur
PRINCIPAL

Dr. Rajashekhar Almaje, Principal B.Ed College and programme Coordinator, introduced Dr. Shamla V Datta, Principal of GNFGC Bidar, Manjula D felicitated Dr. Shamla V Datta.

Dr. Shamla V Datta, the chief Guest of the function, introduced the topic of National Education Policy 2020 and cited that it has four parts –

1. School Education
2. Higher Education
3. Other key areas and
4. Make it Happen

She said that in part II, Chapter 15 (Fifteen) deals with “Teacher Education” Due to many confusions and Complications, NCT has set up a special committee to study in detail the concept of Two (01) years and one year of B. Ed Course. He said Integrated Teacher Education Program is mandatory. The one (01) year course is a multiple entry, Two (01) is considered as a Diploma Course, Three year course will be the basic degree and Four year will be “Degree with honors”. In Multidisciplinary institutions, a student can study any two unrelated subject. Reconstructing of our curriculum has been made mandatory. By 2030, a Four year Teacher Education will be realized. NEP has a holistic approach and is value based policy.

There are five values

1. Truth
2. Righteousness conduct
3. Peace
4. Love and
5. Non-violence

PRINCIPAL
Gurunanak College of Education
BIDAR-585403

2. Righteousness conduct
3. Peace
4. Love and
5. Non-violence

Based on five domains of human personality

1. Intellectual level
2. Physical level
3. Educational level
4. Spiritual level
5. Psychological levels

All three are based on three objectives

1. Cognitive
2. Affective
3. Psycho-motor-skills

All Colleges and Universities should practice

1. Knowledge as creation
2. Knowledge as dissemination
3. Knowledge as application

All Three are interdependent.

NEP Skill are employ ability skills and do not assure employment.

All round development in NEP means value and skill Enhancement like vocational jobs, orientation course, NCC, NSS, Red Cross cell ports, and many such Socio-cultural courses hence forth will be made mandatory.

She summed up by starting the main objectives of NEP Outcome based Education

1. Graduate Attributes
2. Pedagogy and its verities
3. Continuous Assessment
4. Experiential Learning

PRINCIPAL
Gurunanak College of Education
BIDAR-585403

The NEP's Objectives can be realized if the policy is implemented as stated.

Shri Namdev, Lecturer in Psychology GNCE introduced Guest of Honor – Dr. Nagesh Asst Professor, Dept of Chemistry Lecturer in Guru Nanak PG College, Shri Rajendra S Lecturer felicitated Dr. Nagesh.

Dr. Nagesh Sir, said that "Teacher without B.Ed Education are Teachers without license" He spoke at length about Situational Leadership.

Theory which is based as–

1. Ability and willingness
2. Ability and unwillingness
3. No Ability but willingness
4. No Ability un willingness

As per the less of NEP 92% of teacher are unaware of NEP.

One has to study the concept of Teacher as a Leader and his success depends on the success of his/her student.

There are two issues for B. Ed teacher in NEP. They are –

1. Challenge
2. Opportunities

Skill Qualification the Cray of NEP in education is based on the need of Industrial skills.

The Socio-economic Change seen in this generation has to be matched with the intellectual change that needs to be addressed within a span of 20 to 30 years the social life has witnessed and undergone a vast change with qualitative development.

Hence there is a need for change in the field of education to update itself.

Old jobs, old Schemes, old as slow working systems have been vanished, as per the modern needs specific skill qualification and fast working system one placed.

PRINCIPAL
Gurunank College of Education
BIDAR-585403

Hence, in order to update the teaching fortuity, continuous evaluation system has to be nvocated. A teacher has to be all eyes and ears in understanding and adapting oneself to these skill full changes. To understand this concept, sir asked each one of us to see seven (07) movies, right from 1950"s to 2020"s. He said that one will experience a tremendous development and the change.

At present Anand G sir is working on the concept of "History of management ".The study of History is not to be restricted to the stories of king and Queens, but the study of History is vast and abundant when its application is seen in other areas.

We have to introspect and reinvent ourselves. We have to globalize Indian Though to fits ancient educational systems.

Prof. M Renuka, program convener president a brief precedential remark. Smt. Manjula, Lecturer in Social Science, proposed vote of thanks.The Inaugural session came to end with photo session

II Technical Session

Resource Person-Dr. Praveen, Asst Prof. Dept of English, Akkamahadevi Degree College, Bidar Topic - Resource Method in English Literature Language

Kum Ashwini introduced the resource person Dr. Praveen and Shri Vilas Rao Kulkarni sir felicitated Dr. Praveen.

What is resource? Why we need research.

There are two demanding

1. Material purpose
2. Meta phorical purpose

In 6th Century Budha tried Research to answer many question lingering inside him. It was an inward journey. But in modern days the inward journey has become outward journey.

Time Present and time past are both present in time full time and time future is seen in the past. If all time is eternally present all time is unredeemable.

This time is related to literature through philosophy. APPT Picture regarding 3people changed one sitting in a care. This is the cave of ignorance which has to be illuminated through trust. Truth is universal.

Types of Research

Research in Science, Social Science and in humanities. Literary research is clarified as

1. Biological or Technical Research
2. Biological Research

PRINCIPAL
Gurunanak College of Education
BIDAR-585403

4. Interpretive Research

Devotion, Determination and Dedication and the necessary tools for an individual doing research. In today's Screened of NEP, English teacher should be an all rounder and should be ready with all disciplines.

Smt Manjula proposed vote of thanks.

Valedictory

The stage was governed by Dr. Shamlu V Datta, chief guest, Guest of honor Dr. Reshma Kaur, Dr. Sanjay Mainalli, Dr. Rajshekhar Almaje, Dr. Priyadarshini, Dr. Nagesh, Vilas Rao Kulkarni.

Prof. Rajendra- welcomed, introduced by Smt. Asha B as a motivational speaker. Dr. Rajshekhar Almaje, felicitated sir similarly Smt Asha B introduced Dr. Shamlu V Datta and G.S.M. O Priya felicitated Madam.

Smt. Renuka gave a brief eye views the three days Technical session report. Four participant's responses were immensely positive and appreciated the three days orientation training for Teacher Educations.

Prof. Vilas Rao Kulkarni spoke regarding is a teacher a born teacher? Is a teacher successful or a teacher as a utility.

Five levels of Teaching

1. From Consumption to create more.
2. To be a risk away to risk talking
3. From being a specialist to multidisciplinary
4. Job Satisfaction
5. Values addition with contribution

Teacher as trend setter—one touch, one word, and one eye sight talks the slow learners

One should move from tuition to intuition, monologue dialogue, from text to context, information to inspiration from transform to translation from Salary to job satisfaction.

Dr. Shamlu V Datta, appreciated the title of the orientation. "Teacher Educators" Best Teacher are windows and mirrors. Madam pointed out her concern towards declining of the quality. NEP should have been implanted at the root level.

Orientation program should be motivational. I grate student and give them social responsibility NEP reduces dropouts.

Dr. Reshma Kaur Madam, Spoke about the need of the hour the need for teacher bestowed with values, responsibilities and dedication. She said that one needs education for

1. Physical attributes
2. For mind and heart
3. For Spiritual aspirations

BIDAR-585403

Dr. Reshma Kaur VCP of Guru Nanak Group of Institution welcomed the guest gathering and spoke about the need of organizing three days Orientation Program. Madam said the dream of **Late. Panth Ratan Shiromani Sardar Joga Singh Ji**, who always strived in uplifting and enlightening the academic knowledge of employees of SNJSF. A Teacher is a student till death. New knowledge, using innovation has to be inculcated in one's life. Education is an absolute tool for growth and development of an all-round personality. Madam then wholeheartedly welcomed the entire guest on the Dias and off the Dias, including the press.

Dignitaries" light the lamp of knowledge and there by inauguration the three days Orientation Program for Teacher Educators

Dr. Rajashekhar Almaje, Principal Guru Nanak College of Education and programme Coordinator, introduced Dr. Shamla V Datta, Principal of GNFGC Bidar, Manjula D felicitated Dr. Shamla V Datta.

Dr. Shamla V Datta, the chief Guest of the function, introduced the topic of National Education Policy 2020 and cited that it has four parts –

PRINCIPAL
Gurunanak College of Education
BIDAR-585403

1. School Education
2. Higher Education
3. Other key areas and
4. Make it Happen

She said that in part II, Chapter 15 (Fifteen) deals with "Teacher Education" Due to many confusions and Complications, NCT has set up a special committee to study in detail the concept of Two (01) years and one year of B. Ed Course. He said Integrated Teacher Education Program is mandatory. The one (01) year course is a multiple entry, Two (01) is considered as a Diploma Course, Three year course will be the basic degree and Four year will be "Degree with honors". In Multidisciplinary institutions, a student can study any two unrelated subject. Reconstructing of our curriculum has been made mandatory. By 2030, a Four year Teacher Education will be realized. NEP has a holistic approach and is value based policy.

There are five values

1. Truth
2. Righteousness conduct
3. Peace
4. Love and
5. Non-violence

Based on five domains of human personality

1. Intellectual level
2. Physical level
3. Educational level
4. Spiritual level
5. Psychological levels

All three are based on three objectives

1. Cognitive
2. Affective
3. Psycho-motor-skills

All Colleges and Universities should practice

PRINCIPAL
Gurunanak College of Education
BIDAR 585403

1. Knowledge as creation
2. Knowledge as dissemination
3. Knowledge as

application All Three are interdependent.

NEP Skill are employ ability skills and do not assure employment.

All round development in NEP means value and skill Enhancement like vocational jobs, orientation course, NCC, NSS, Red Cross cell ports, and many such Socio- cultural courses hence forth will be made mandatory.

She summed up by starting the main objectives of NEP Outcome based Education

1. Graduate Attributes
2. Pedagogy and its verities
3. Continuous Assessment
4. Experiential Learning

The NEP's Objectives can be realized if the policy is implemented as stato.

Shri Namdev, Lecture in Psychology GNCE introduced Guest of Honor – Dr. Nagesh Asst Professor, Dept of Chemistry Lecturer in Guru Nanak PG College, Shri Rajendra S Lecturer felicitated Dr. Nagesh.

Dr. Nagesh Sir, said that “Teacher without B.Ed Education are Teachers without license”

He spoke at length about Situational Leadership.

Theory which is based as–

1. Ability and willingness
2. Ability and unwillingness
3. No Ability but willingness

PRINCIPAL
Gurunanak College of Education
BIDAR-585403

4. No Ability un willingness

As per the less of NEP 92% of teacher are unaware of NEP.

One has to study the concept of Teacher as a Leader and his success depends on the success of his/her student.

There are two issues for B. Ed teacher in NEP. They are –

1. Challenge
2. Opportunities

Skill Qualification the Cray of NEP in education is based on the need of Industrial skills.

The Socio-economic Change seen in this generation has to be matched with the intellectual change that needs to be addressed within a span of 20 to 30 years the social life has witnessed and undergone a vast change with qualitative development.

Hence there is a need for change in the field of education to update itself.

Old jobs, old Schemes, old as slow working systems have been vanished, as per the modern needs specific skill qualification and fast working system one placed.

Hence, in order to update the teaching fortuity, continuous evaluation system has to be invocated. A teacher has to be all eyes and ears in understanding and adapting oneself to these skill full changes. To understand this concept, sir asked each one of us to see seven(07) movies, right from 1950's to 2020's. He said that one will experience a tremendous development and the change.

PRINCIPAL
Gurunanak College of Education
BIDAR-585403

At present Ganapati sir is working on the concept of "History of management ".The study of History is not to be restricted to the stories of king and Queens, but the study of History is vast and abundant when its application is seen in other areas.

We have to introspect and reinvent ourselves. We have to globalize Indian Thought to fits ancient educational systems.

Prof. M Renuka, program convener president a brief precedential remark. Smt. Manjula, Lecturer in Social Science, proposed vote of thanks.

The Inaugural session came to end with photo session
