PLASTIC FREE CAMPUS

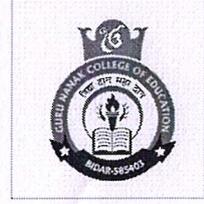

Plastic free campus helps our college make a difference for the environment social justice and our own health. Plastics are made from oil and gas and their production harms our environment from added greenhouse gases nature can't digest it. Our college strictly advices to use reusable water bottles and encourage less use of plastic in college.

Develop Plastic Free Campus

PAPERLESS OFFICE

Our college use scanning tools to go paperless use a document scanner or scanning apps to scan notes documents, images, and more so they are all in one digital location. To transition into a paperless office the staff converts documents into digital formats to use less paper. Other paperless practices such as digital communication and digital record keeping system
