❖ Tree Plantation :

On July 20 2022, Guru Nanak Group of Institutions, in collaboration with students, conducted a tree plantation drive. The outreach activity involved planting a variety of native trees on the campus grounds. This initiative aimed to enhance the institution's green footprint, improve air quality, and foster environmental awareness among students. The impact of the activity was substantial: it increased green cover, contributed to ecological balance, and engaged students in meaningful environmental action. Additionally, it reinforced the importance of sustainable practices, setting a precedent for future ecological initiatives within the institution.

❖ Visit to Science Center :

On 24 August 2022, Students of B.Ed were very curious and enthusiastic for observing the models and specimens which were kept in Exhibition Gallery. Full explanations of each model with their concept were given in both language (Hindi as well as in English), so students were very comfortable in learning important concept of science. As we all know that Science is a way of looking reality! Science is a process of questioning!! Learning of Science becomes exciting when it involves the learner in close interaction with the exhibits that carry the desired message.

❖ Go Green Campaign :

On April 12, 2023, the Guru Nanak Group of Institutions, in collaboration with its dedicated students, organized a Go Green Campaign rally. The event aimed to raise awareness about environmental conservation and promote sustainable practices. Participants enthusiastically marched through the local community, distributing eco-friendly pamphlets and planting trees along the route. The rally highlighted the importance of reducing waste, conserving energy, and protecting natural resources. This initiative not only educated the public but also inspired them to adopt greener lifestyles, reflecting the institution's commitment to environmental stewardship and social responsibility.

❖ Tree Distribution Programme :

On April 26, 2023, Guru Nanak Group of Institutions, in collaboration with students, conducted a tree distribution outreach activity. We distributed saplings to local communities to promote environmental awareness and sustainability. Each participant received a tree sapling along with care instructions. The activity engaged over 200 individuals, fostering a sense of responsibility towards the environment. Immediate impacts included increased community awareness about the importance of trees and a visible commitment to greening the area. Long-term, this initiative is expected to contribute to improved air quality and enhance local biodiversity.

❖ National Water Mission :

On May 9 2023, the students of Guru Nanak Group of Institutions visited the Water Mission office as part of an outreach activity. The visit aimed to educate students about sustainable water solutions and the importance of clean water access. During the visit, students interacted with Water Mission staff, learned about various water treatment technologies, and observed ongoing projects aimed at providing safe water to under served communities. This experience broadened their understanding of global water challenges and inspired them to contribute to water sustainability initiatives in their own communities. The visit was both informative and motivating for all participants.

❖ Visit to krishi vigyana kendra Janawada :

On May 18 2023, students from Guru Nanak Group of Institutions visited Krishi Vigyana Kendra, Janawada. The outreach activity aimed to bridge theoretical knowledge with practical agricultural applications. During the visit, students engaged with local farmers, observed advanced farming techniques, and participated in discussions on sustainable practices. The experience highlighted the importance of integrating scientific research with traditional farming methods. The visit enhanced students' understanding of agriculture's role in community development and fostered a stronger connection between academic learning and real-world challenges. This practical exposure equipped students with valuable insights into improving agricultural productivity and sustainability.

❖ Fruits Distribution Government Hospital Bidar:

On May 24 2023, Guru Nanak Group of Institutions, along with students, conducted a fruit distribution outreach activity at Government Hospital, Bidar. The initiative aimed to support patients and healthcare workers during a challenging time. The team distributed fresh fruits, promoting health and wellness. This effort not only provided essential nutrients but also uplifted the spirits of the hospital community. The positive response from recipients highlighted the impact of such acts of kindness, reinforcing the importance of community support in healthcare settings. This outreach fostered a sense of solidarity and compassion within the community.

❖ Field Visit to Horticulture :

On 8 June 2023, students from Guru Nanak Group of Institutions visited a horticulture center as part of an outreach activity. The visit aimed to enhance students' understanding of sustainable agricultural practices and horticultural techniques. During the visit, students engaged in hands-on activities like planting and maintenance of crops, which provided practical insights into horticulture. The impact of this activity was significant: it fostered a greater appreciation for environmental sustainability among students, enhanced their practical skills, and encouraged interest in careers related to agriculture and environmental sciences. Overall, the visit contributed to students' educational growth and environmental awareness.

❖ Visit to District Disability Awareness and Empowerment of Senior Citizens office Mailoor Bidar :

On 14 June 2023, Guru Nanak Group of Institutions, accompanied by students, visited the Abnormal Hostel in Mailoor, Bidar for an outreach activity. The visit aimed to support and engage with residents by providing essential supplies and interacting with them. The impact was significant: students gained a deeper understanding of social challenges, fostering empathy and community spirit. Residents benefited from the assistance and the personal connection, which improved their morale. This activity strengthened the bond between the institution and the local community, highlighting the importance of social responsibility and active citizenship.

❖ Donation to Poor People Books, Pen Items:

On 26 June 2023, Guru Nanak Group of Institutions, in collaboration with students, organized a donation drive to an orphanage camp. Books and pens were donated to support the educational and personal needs of the children. The outreach activity significantly impacted the orphanage, providing essential resources that enriched the children's learning experience and personal well-being. The students gained valuable insights into social responsibility, fostering a sense of empathy and community service. This initiative not only addressed immediate needs but also strengthened the connection between the institution and the broader community.

❖ **Independence Day : 15/08/2023**

On 15th August 2023, Guru Nanak Group of Institutions celebrated Independence Day with great enthusiasm and patriotism. The event began with the hoisting of the national flag by the chief guest, followed by the singing of the national anthem. Students performed cultural programs, including patriotic songs, dances, and skits, showcasing the rich heritage and history of India. Speeches were delivered by faculty members and students, highlighting the significance of independence and paying tribute to the freedom fighters. The program also featured a quiz competition on India's freedom struggle. The event concluded with a vote of thanks and refreshments for all attendees. The celebration instilled a sense of pride and unity among everyone present.
