Introduction to Internship Report

Introduction to Internship: Duration: 4 Weeks (2 credits)- 150 marks

For academic year 2022-23, our college planned Internship for 4 weeks dated 1st September 2023 to 16th October 2023. For this we give the introduction of each activity by different teachers. We make 3 groups for internship. From these groups we give proper guidance. Before internship starts we took permission from different schools.

This course focuses on student teachers Engagement with the field.

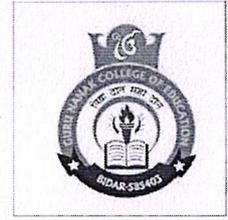

The aim is to develop in the students perspectives about education, professional capacities, teacher sensibilities and skills. It also will help student teachers realize the necessity to cater to the diverse needs of the learner.

Objectives of the introduction to the internship are to enable the student teacher:

- i. To get an opportunity to observe the teaching of experienced school teachers.
- ii. To develop lesson plans under the guidance of the school teacher.
- iii. To observe the co-curricular and extracurricular activities organized in the school.
- iv. To assist the school teacher in her/his day to day work.
- v. To conduct lessons in the field.
