Feedback of Stakeholders

Year 2019-20

Action Taken Report of First year Student Feedback :

- 1) It was decided that based on the 2-Year new B.Ed. course, keeping in mind the facilities of the students, all syllabus should be observed, studied and then tried to take feedback from them and implement.
- 2) Taking into consideration the feedback of the students, it was decided to encourage teachers to involve students in extra-curricular activities and research projects.
- 3) It was decided to use modern teaching tools, power point presentation , web e-sources, c-materials while teaching considering the feedback of the students.
- 4) Taking into consideration the feedback of the students, it was decided that the teacher should guide the students for the overall personally development of the students.
- 5) Taking into consideration the feedback of the students, of the students, it was decided that the faculty should encourage the students to participate in extra-curricular activities and research projects.
- 6) It was decided that faculty should encourage students to use reference books, e-resources e-journals and research projects. Taking into consideration that feedback of students.

PRINCIPAL
Gurunanak College of Education
BIDAR-585403

Action Taken Report of Second year Student Feedback :

- 1) Keeping in mind the feedback of the students, it was decided to make full use of modern teaching aids, power point presentation. Web e-resources , e-materials while teaching the students
- 2) It was intended that all the professors should try and guide the students so that the overall personality development of the students takes into consideration the feedback of the students
- 3) It was decided that the professors should try to develop soft skills among the students.

Action on Alumni Feedback on Syllabus:

Taking into account the feedback of the former students , it was decided to update the facilities in the college.

B.Ed. Teachers Feedback Action Taken

The following decisions were taken based on the feedback given by the teachers.

It was decided to increase the number of optional subjects so that students can get subjects according to their interest and increase their knowledge of that subject. It was decided to conduct a workshop on educational materials to improve the skills of students increase and handling educational material. A Proposal was submitted to exempt working hours for research work of college professors . For this, it was decided to increase the number of academic journals and change the evaluation of course activities..

Action taken on feedback of Practicing School Teachers

Also all the professors were asked to give more guidance on how to use various educational materials according to the teaching method. It was decided that the teachers of the teaching method should guide the teachers about the lessons and actions for better classroom management .

Action Taken Report

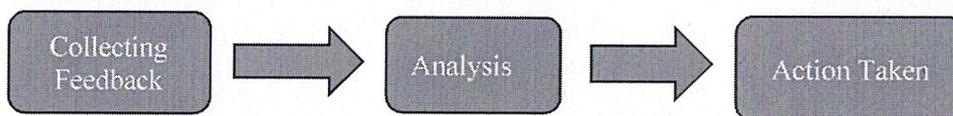

(2022-2023)

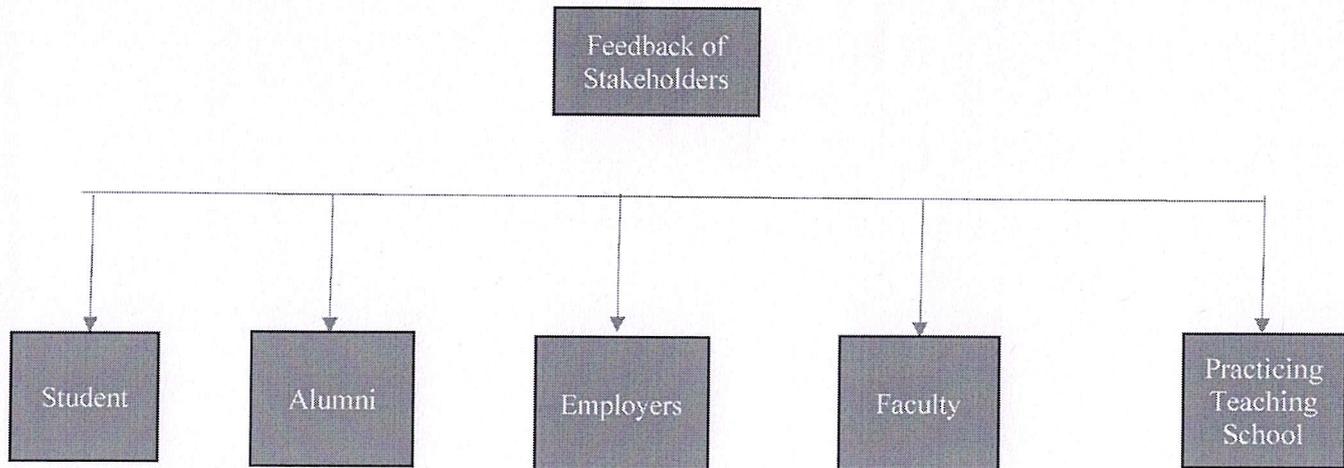

Introduction :

The curriculum presented by Gulbarga University Kalburgi is implemented in the college. Information about how the curriculum is implemented in the college, how and to what extent it benefits the students, how the teachers implement it, whether the objectives are fulfilled is obtained from this feedback process. It tries to maintain the standard and quality of the college.

The college, collects feedback forms various stakeholders like employers, first year students, second year students, alumni and faculty, practice schools. The main purpose behind carrying out this process is to know the current situation of the college and market opportunities for employability of students.

Process of feedback and Action Taken

Year 2022-23

Action Taken Report of First year Student Feedback :

- 1) It was decided that based on the 2-Year new B.Ed. course, keeping in mind the facilities of the students, all syllabus should be observed, studied and then tried to take feedback from them and implement.
- 2) Taking into consideration the feedback of the students, it was decided to encourage teachers to involve students in extra-curricular activities and research projects.
- 3) It was decided to use modern teaching tools, power point presentation , web e-sources, c-materials while teaching considering the feedback of the students.
- 4) Taking into consideration the feedback of the students, it was decided that the teacher should guide the students for the overall personally development of the students.
- 5) Taking into consideration the feedback of the students, of the students, it was decided that the faculty should encourage the students to participate in extra-curricular activities and research projects.
- 6) It was decided that faculty should encourage students to use reference books, e-resources e-journals and research projects. Taking into consideration that feedback of students.

Action Taken Report of Second year Student Feedback :

- 1) Keeping in mind the feedback of the students, it was decided to make full use of modern teaching aids, power point presentation. Web e-resources , e-materials while teaching the students
- 2) It was intended that all the professors should try and guide the students so that the overall personality development of the students takes into consideration the feedback of the students
- 3) It was decided that the professors should try to develop soft skills among the students.

Action on Alumni Feedback on Syllabus:

Taking into consideration the alumni feedback it was decided that the education resources of the college should be improved. It was decided to try to increase the number of books and e-resources in the library so that the students will use the library to the maximum extent. It was decided that professors should use new technology, power point presentation, and various educational tools in teaching for their effective teaching and development of students. It was decided to increase the number of office staff to make the admission process quick and convenient.

B.Ed. Teachers Feedback Action Taken

The following decisions were taken based on the feedback given by the teachers.

From the beginning the guidance lectures & various courses are conducted in our college and the courses are planned to be conducted next year also. It has been decided to conduct guidance regarding self learning related to teachers profession. Professors expressed the opinion that expert lectures should be organized for some subjects in the syllabus.

Like every year, it was decided that the academic working days will be increased this year as well. Also consideration will be given to faculty members of the college to do induction sessions as well as other necessary courses. It was decided to increase the suggested reference books for new concepts covered in the syllabus.

Action taken on feedback of Practicing School Teachers

Also all the professors were asked to give more guidance on how to use various educational materials according to the teaching method. It was decided that the teachers of the teaching method should guide the teachers about the lessons and actions for better classroom management .
