❖ **Tree Plantation Programme : 16/02/2022**

On 16th February 2022, Guru Nanak Group of Institutions organized a tree plantation program aimed at promoting environmental awareness and enhancing green cover. The event saw active participation from students, faculty, and local community members, who collectively planted over 200 saplings in the campus and surrounding areas. The program commenced with an inaugural speech by the principal, emphasizing the importance of trees in combating climate change and fostering biodiversity. Volunteers provided guidance on proper planting techniques and the significance of nurturing young trees. The event concluded with a pledge to maintain the planted saplings and encourage sustainable practices. This initiative reflects the institution's commitment to environmental conservation and community engagement.

### ❖ Tree Plantation :

On July 20 2022, Guru Nanak Group of Institutions, in collaboration with students, conducted a tree plantation drive. The outreach activity involved planting a variety of native trees on the campus grounds. This initiative aimed to enhance the institution's green footprint, improve air quality, and foster environmental awareness among students. The impact of the activity was substantial: it increased green cover, contributed to ecological balance, and engaged students in meaningful environmental action. Additionally, it reinforced the importance of sustainable practices, setting a precedent for future ecological initiatives within the institution.

### ❖ Visit to Science Center :

On 24 August 2022, Students of B.Ed were very curious and enthusiastic for observing the models and specimens which were kept in Exhibition Gallery. Full explanations of each model with their concept were given in both language (Hindi as well as in English), so students were very comfortable in learning important concept of science. As we all know that Science is a way of looking reality! Science is a process of questioning!! Learning of Science becomes exciting when it involves the learner in close interaction with the exhibits that carry the desired message.

❖ **No Tobacco Day: 19/04/2023**

On No Tobacco Day, our college students conducted an awareness campaign to educate their peers about the harmful effects of tobacco. Through posters, presentations, and interactive sessions, they highlighted the importance of quitting smoking and the benefits of a tobacco-free life. The event aimed to reduce tobacco consumption among students and promote a healthier lifestyle on campus. An awareness campaign was conducted on No Tobacco Day to educate students about the health risks associated with tobacco use. The program included informational sessions, interactive activities, and a pledge to quit tobacco. Health experts provided counseling and resources to help students and staff quit smoking.

### ❖ Tree Distribution Programme :

On April 26, 2023, Guru Nanak Group of Institutions, in collaboration with students, conducted a tree distribution outreach activity. We distributed saplings to local communities to promote environmental awareness and sustainability. Each participant received a tree sapling along with care instructions. The activity engaged over 200 individuals, fostering a sense of responsibility towards the environment. Immediate impacts included increased community awareness about the importance of trees and a visible commitment to greening the area. Long-term, this initiative is expected to contribute to improved air quality and enhance local biodiversity.

### ❖ National Water Mission :

On May 9 2023, the students of Guru Nanak Group of Institutions visited the Water Mission office as part of an outreach activity. The visit aimed to educate students about sustainable water solutions and the importance of clean water access. During the visit, students interacted with Water Mission staff, learned about various water treatment technologies, and observed ongoing projects aimed at providing safe water to under served communities. This experience broadened their understanding of global water challenges and inspired them to contribute to water sustainability initiatives in their own communities. The visit was both informative and motivating for all participants.

### ❖ Visit to krishi vigyana kendra Janawada :

On May 18 2023, students from Guru Nanak Group of Institutions visited Krishi Vigyana Kendra, Janwada. The outreach activity aimed to bridge theoretical knowledge with practical agricultural applications. During the visit, students engaged with local farmers, observed advanced farming techniques, and participated in discussions on sustainable practices. The experience highlighted the importance of integrating scientific research with traditional farming methods. The visit enhanced students' understanding of agriculture's role in community development and fostered a stronger connection between academic learning and real-world challenges. This practical exposure equipped students with valuable insights into improving agricultural productivity and sustainability.

### ❖ Fruits Distribution Government Hospital Bidar:

On May 24 2023, Guru Nanak Group of Institutions, along with students, conducted a fruit distribution outreach activity at Government Hospital, Bidar. The initiative aimed to support patients and healthcare workers during a challenging time. The team distributed fresh fruits, promoting health and wellness. This effort not only provided essential nutrients but also uplifted the spirits of the hospital community. The positive response from recipients highlighted the impact of such acts of kindness, reinforcing the importance of community support in healthcare settings. This outreach fostered a sense of solidarity and compassion within the community.
