for this purpose your lesson plan needs to reflect this Objective
 How?

Before making any decision about your content think about the following questions

- What do my students need to know before learning the lesson topic
- How are they supposed to use such prior knowledge to learn this lesson.
- How will I check their prior knowledge.
- What are some commonly held ideas or possibly misconceptions about this topic that students might be familiar with.
- What will I do to introduce this topic

Reflecting on these questions will
