Repot on Communication Skill

In order to increase the confidence of the students, to develop some important skills in them. One of the most important skills is communication skills this skill is useful at all Teacher Training levels.

So how can education be an exception? It is important to have strong oratory or communication skills before entering the teaching profession .Keeping his in mind, special emphasis is placed on communication skills at the time of students' admission.

There are various programs going on in the college throughout the year, but at the primary level,a basic interview is conducted by all the teachers and principals.

Face-to-face interaction is done at the time of admission to the college to boost their confidence.As Students are from different backgrounds for to improve confidence communication skills helps a lot.

In our college we conduct following activity every year for to develop communication Skills in students.

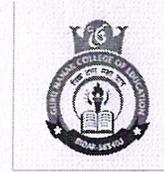

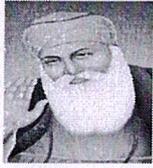

No	Nature of activity (Individual)
1	Introduce themselves in front of group
2	Telling Own Life story
3	Face to face Interview
4	Face to face Interview
5	Group Discussion
6	Drama

Program was conducted

by Dr. Rajshekhar Almaje

Above activities helps to communicate with each other and Due to this, the communication skill among student teacher improved. Student teacher also enjoys the atmosphere here and they start to feel safe and secure. This session is conducted in Micro group where all Micro-group mentors guide them.
