### Report On Use Of ICT By students For the Academic Year-2022-23

In our Guru Nanak College of Education we specifically insure that all students should use technology for learning purposes. At the time of giving seminars for compulsory subjects for ICT Basics teachers assign them different topics on that topic. Students collect information from the internet and use it at the time of making a presentation.

That presentation they will mail to respective subject teachers and they will check it and then do the presentation in the classroom on the projector in front of teachers and all students. Simultaneously for Understanding ICT for this each student makes a presentation on social issues and prepares their own presentation, collecting video, images from the internet and presenting it in the college ICT Laboratory.

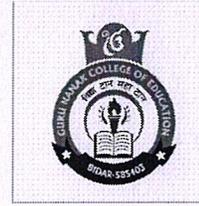

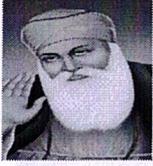

For Course ICT Basics all students Conduct Lessons Using Technology for that purpose also they prepare their presentation and present it in classroom in front of Mentor -mentee. At the time of internship or Conducting Practice lesson in School Students use Their mobile or laptop to show you Tube Video Or presentation to explain the concept.

### Report On Use Of ICT By Resource students For the Academic Year-2021-22

In Our Guru Nanak College of Education We specifically encouraged our student teachers to join what's app group, on that information and presentation and notice of courses are shared by all Teachers. As per requirement method teachers also create there subject Group. Most of the time email id was shared with all students on that Email; student teachers shared their presentation which was evaluated by all teachers. Respective subject mentor checked their mentees files and give them proper feedback on specially checking their technology based Lesson and seminar presentations.
