### Different Board School Visit Report

In the academic year 2022-23, Guru Nanak College of Education Bidar conducted visits to schools with various school boards to gather information about Diversity in School System. Information about diversities in school system is included in the B.Ed. curriculum. These school visits were conducted under the guidance of Vilas Rao. K and M.Kattimani. On 24th July 2023, B.Ed. first year students visited the following schools. These included Guru Nanak Public School New Branch, and Govt. High School Mailoor. B.Ed students were divided into two groups school wise for the school visit. A student representative was appointed in each group. Students studied the diversity of school work, assessment methods, curriculum and records through questions, observations and various records.

Presentation of school wise information was conducted on 31<sup>st</sup> July 2023 through presentation to every student in the class to know about the working system of various school boards, curriculum, various evaluation methods, records and standards etc. Student representatives presented the information of various boards. Through this activity, the students got to know about various school boards.

### Report

#### 'Seminar- 'Diversity in School System'

Lecture on 'Diversity in School System' was organized on 17/07/2023 in Guru Nanak College of Education. B. Ed. Syllabus includes information on various school systems, exam patterns, syllabus etc. But this lecture was organized to know more about 'diversity in school system'.

According to all the professors of the college, there was an exchange of ideas about which issues should be included under the topic 'diversity in the school system' and the sub topic was decided. Other professors of the college acted as guide and lecturers in this one-day lecture series. Vilas Rao Kulkarni, Mareppa Kattimani, M Renuka, Rajendra S, Principal Rajshekhar Almaje, Anand GM, guided the students on various issues related to diversity in school boards.

Through this seminar, the students gained more knowledge about the functioning of various school boards, examination methods, evaluation techniques, syllabus etc. Also, the students are given a real experience of the functioning of various school boards through school visits and student internship.
