### **B.Ed. Two- year Practice Teaching Programme Academic Year 2021-22**

#### **SEMESTER IV**

#### **Field Work and Immersion/Internship (Teaching Practice) Field Work:**

(To be taken during Semester IV during Engagement with Field Work Sessions) Under this mode there will be set of assignments to be undertaken with the guidance of assigned teacher. All the assignments are to be undertaken during school visit and immersion period. The required theoretical orientation needs to be arranged in the lecture classes. The candidate has to visit the field and undertake the work and present the report. If required the intermittent assessment by guide will be done through group discussion and individual presentation. Some of the specimen assignments are listed below (any one out of a-f) Marks – 40:

- Development of specific theme based lesson plans and teaching in vivo (real class room situation) or in vitro (college based situation). Student has to design a lesson to be video recorded and edited if required and should be presented as pedagogic exemplary on a specific approach, method or technique.
- The student has to select one institute to study a theme (Ex: discipline, inclusiveness, value inculcation, school cleanliness etc) and should present the report along with the scope for futuristic improvement. This has to be data based and has to be original in its nature.
- The teacher shall study at least three unique types of students as case study. They may be the case of differentially able, slow learners, genius or of unique nature.
- The student shall visit either DIET or any Teacher Education Institute and will observe ten randomly chosen lessons of teacher educators, and prepare a quality assessment report with
