Criteria 3.3.4 : The institution has actively engaged in outreach activities aimed at influencing and sensitizing students to social issues while contributing to community development .

The outreach activities have been meticulously planned and executed to align with the institution's commitment to holistic education and societal well-being .

The outreach activities are designed to provide students with practical exposure to social issues and install a sense of responsibility towards community development.

### Various programs such as :

Awareness campaigns, skill development workshops, health camps, and community service initiatives have been organized. These activities serve as a bridge between theoretical knowledge gained in classrooms and the practical challenges faced by communities.

One notable initiative was the **"Health and Hygiene Awareness Campaign"** conducted in the neighboring villages. This campaign included sessions on maintaining personal hygiene, proper sanitization and conducted these sessions interacting with community members to understand their specific needs.

Another impactful outreach programme was the **"Skill Development Workshop"** aimed at empowering local youth with employable skills. The institution collaborated with industry experts to provide hands-on training in areas such as computer literacy, vocational skills, and entrepreneurship. Implementation of the workshop.

To sensitize students to broader social issues, the institution organized panel discussions, seminars, and guest lectures by eminent personalities from various fields. These events encouraged students to critically analyze societal challenges and brainstorm innovative solutions.

  
PRINCIPAL  
Gurunanak College of Education

Post – event discussions and reflections were documented to capture the insight gained by students.

The institution recognizes the importance of documentation and accountability in ensuring the transparency of its outreach activities. Reports for the outreach activity, signed by the Principal, have been diligently maintained. These reports provided a comprehensive review of the objectives, methodologies, outcomes, and future recommendations for each initiative.

Additionally, relevant photographic evidence, attendance records, and feedback from both students and community members are systematically documented to substantiate the impact of the activities.

The institution is committed to continuous improvement and welcomes external scrutiny. All relevant documentary evidence, including reports of outreach activities signed by the Principal, is available for review. The institution is open to providing any additional information or clarification deemed necessary by NAAC authorities to validate the authenticity and effectiveness of its outreach initiatives.
