5. Developing creativity through Art and Craft-

Institution has an Art and craft lab. There is material related to art and craft. Student makes various things in that lab. E.g. making paper bags. making chalks. making candles etc.

6. Student centered methodology.

Teacher trainees use the following teaching methods in teaching theoretical subjects.

1. Co-operative Study
2. Seminar
3. Group Discussion
4. ICT based teaching
5. Mobile Learning,

7. Guidance and counseling for Mooc courses.

The list of courses for which trainees have registered and those WHO have received certificates are listed

8. Community oriented projects

Community oriented projects were implemented in the college at three levels namely school and society.

Two individual projects and two group projects were implemented to find out the problems related to current issues in the society and solve them. In this, make videos of street play.
